

Student Device Acceptance Acknowledgement

Chromebook Guidelines

- Students should inspect their Chromebook at the beginning of use and immediately report any issues.
- Chromebooks should never be picked up by the screen. Always handle Chromebooks by grasping the keyboard section of the device to lift it.
- Chromebooks may only be used for the purpose of completing your coursework.
- Watch the “charge level” on the upper right of the menu. Plug in the device when it gets below 15% battery life.

The following Chromebook has been issued to _____ enrolled in Baker County Virtual School.

Make _____

Model _____

Asset Number _____

Serial Number _____

Power Supply:

Included

Not Included

I have read the Chromebook guidelines and I agree to follow all of the expectations. I understand that if I do not follow the guidelines, I will lose my privilege of using a Chromebook provided by the Baker County School District. If the Chromebook is damaged when returned, there will be a replacement cost of \$300.
