INFORMATION AND ANNOUNCEMENTS

- A closed “Executive Session” will be held immediately following the Board Meeting
- Superintendent addressed Joel Addington of the Baker County Press to clarify the confusion over the 5 hour aides that were hired last Board meeting since she had received several calls from individuals who were very concerned after reading the Baker County Press last week stated all vacated aide positions would now be replaced with 5-hour positions. Superintendent Raulerson stated that the position that was approved as a 5-hour position was for a situation where an individual was needed only during the time of direct student contact for special needs. Each vacated position will be evaluated on a case-by-case basis to evaluate the specific job needs for that position. Mr. Addington appreciated the clarification and stated he would make a correction in this week’s paper so readers would also understand.
