Volunteers within the Baker County School System are expected to adhere to the following guidelines:

1. Be willing to learn and accept supervision.
2. Volunteer for only the time you can expect to fulfill.
3. If you are going to miss a regularly scheduled session, call the school and leave a message.
4. Be punctual, sign in, wear your volunteer badge, and be sure to sign out.
5. Become familiar with school, classroom, and emergency procedures.
6. Be positive! Words are powerful.
7. Avoid disciplining any student. Refer problems to the staff.
8. Keep talking with the teacher to a minimum.
9. Do not criticize the school or teachers. If there is a misunderstanding, clear it by communication.
10. All volunteers should follow the school dress code.
11. The individual school principal and the school board or their designees will approve volunteer assignments.
12. Volunteers for field trips will not be allowed to take other children along who are not part of the school activity.
13. We are a drug free school district; smoking is strictly prohibited.
14. If any person should ask to take a child with whom you are working, you should direct that person to your supervisor or the office.

I have read, understand, and will follow the above rules.
