3. While the disclosure of PII without consent is allowed under the audit exception, it is recommended that whenever possible the administration either release de-identified information or remove the students' names and social security identification numbers to reduce the risk of unauthorized disclosure of PII.
4. Any entity receiving PII pursuant to a study, audit, evaluation or enforcement/compliance activity must comply with all FERPA regulations. Further, the entity must enter into a written agreement with the Board

Florida Statutes, State Board of Education rules, School Board rules and administrative procedures shall be carefully observed when making any purchases. The District shall recognize purchasing terms as defined by law and rule.

The following provisions shall govern purchasing and bidding procedures.

I. Authorization to Execute Purchase Orders

The Superintendent or designee shall be responsible for soliciting the assistance of District staff members who use the products to prepare specifications and to evaluate bids.

III. Requirements for Competitive Bids.

Sealed bids shall be requested for any purchase of materials, equipment, or service above limits set by State Board of Education rules unless the item is purchased on the basis of an established state contract, through approved on-line procurement, under the provisions of Subsections (9) or (10) herein, or is otherwise exempted from bidding by Florida Statutes or State Board of Education rules. A particular item or group of similar items, which is anticipated to exceed a collective legally permitted total during the fiscal year, shall be subject to the bid requirements as described herein.

2. The Superintendent or designee may remove the name of any unqualified or unreliable person or firm from the list. Provided, however, the person or firm may apply to the Purchasing Agent for reinstatement to the vendor list after being removed for one (1) year.
3. Prior to the issuance of a purchase order in excess of the threshold provided in 287.017, F.S., for Category Two, the vendor shall execute an affidavit, pursuant to Florida Statutes, certifying that neither the firm nor any of its principals have been convicted for a public entity crime and placed on the convicted vendor list within the previous thirty-six (36) months. [Additionally, Federal Funding requires vendors to comply with all current provisions contained within the Code of Federal Regulations \(CFR\), Appendix II to Part 200, Title 2 - Contract Provisions for Non-Federal Entity Contract Under Federal Awards.](#)

B. Bid Receipt, Opening, and Tabulation.

The purchasing Agent shall read aloud the name of the bidder and the amount and shall make recommendations to the Superintendent who shall make a recommendation to the School Board. The tabulation shall be signed by the Purchasing Agent and School Board employee in attendance. Bids received after the designated time shall not be accepted or considered.

C. Award of Bids

1. Each bid shall be awarded on the basis of the lowest and best bid which meets specifications with consideration being given to the specific quality of the product, conformity to the specifications, suitability to school needs, delivery terms and service, and past performance of the vendor. In case of a tie, the recommendation shall be made by casting lots. Samples of products may be requested when needed. The School Board shall reserve the right to reject any or all bids.
2. The District may award contracts to the lowest, responsible bidder as the primary awardee and to the next lowest and responsible bidder(s) as alternate awardees provided that the awarding of multiple contracts is clearly stated in the bid solicitation documents.

CHAPTER 7.00 - BUSINESS SERVICES

When documents are no longer exempt and may be copied, the fee for photocopying shall be in accordance with the School Board Policy 3.070, Copying of Public Records. Original bids and quotations and the transmittal envelopes shall not be removed from the Purchasing Office.

Single or combination items may be considered in determining the recommendation.
 - F. Bid Withdrawal - A bidder may withdraw a bid before the designated time for opening bids by submitting a written request to the Purchasing Agent and identifying the reason(s) for the desired bid withdrawal. A bidder shall not be permitted to withdraw a bid for any reason after the designated time for opening bids unless mutually agreed upon by both parties.

The purchasing department shall be

CHAPTER 7.00 - BUSINESS SERVICES

required to make telephone contacts with at least two (2) vendors to request quotations, determine availability and ability to deliver services or products in a timely manner. All such contacts must be documented and followed by written bids from those contacted. The Superintendent shall be given all facts relating to the problem and a recommendation for the purchases necessary to resolve the problem. Upon the Superintendent's approval, the lowest and best bidder will be given authorization to proceed. A formal tabulation, giving complete details and justification, shall be submitted at the next regular Board meeting for ratification.

- B. If the Superintendent determines in writing that the time required to obtain pricing will enhance the emergency situation, the emergency purchase may be made without quotations.
- C. Emergency bids, if approved by the Superintendent, may be requested by telephone, telegram, or in writing and returned as the emergency requires. All emergency bids shall be tabulated and presented to the Superintendent, who shall submit the bids to the School Board for action. A purchase shall not precede a requisition except under emergency provisions.

VIII. Information Quotations on Purchases

Quotations (as specified in Purchasing Handbook) shall be obtained from at least two (2) sources, except as provided in subsection 13 herein, prior to issuing a purchase order for materials, services, or equipment as established and required by state law or regulation.
