

# Football Lockers at Baker County High School

## Scope of Work and Specifications

### Scope of Work

**The removal of the existing lockers and the installation of 100 lockers in the Football Locker Room located in the Baker County High School gym, Glen St. Mary, Florida. Project to begin in early January, 2020**

### Specifications

- **Dimensions:** 24" Wide x 24" Deep x 72" High
- **Weight:** 125 lbs.
- **Footlocker:** Measures 14" high and provides roomy lockable storage compartment for footwear and more, doubling as a heavy-duty bench seat. Includes highly secure padlock hasp with strike plate, continuous hinged lid, rubber bumpers mounted at contact points, and vents for air ventilation
- **Security Box:** Convenient lockable box offering secure storage of electronics and small valuables. Measures 12" high and includes strong 14-gauge door, heavy duty hinges, and continuous doors strikes. Accepts built-in locker locks and padlocks
- **Recessed Handle:** Security box features stainless steel recessed handle with hasp makes prying nearly impossible
- **Coat Rod:** Full width heavy duty rod for hanging uniforms and gear
- **Shelf:** Full width upper shelf includes half-width lockable security box locker
- **Hooks:** Two heavy single prong wall hooks attached to back panel evenly spaced as shown in attached locker drawing
- **Body Construction:** 16-gauge welded channel frame construction for superior rigidity and durability
- **Body Style:** 16-gauge diamond perforated sides with 16-gauge solid steel top, bottom and shelf
- **Bottoms:** Includes two reinforcement channels welded underneath for strength and longevity
- **Handle:** Attractive stainless-steel recessed handle. Recessed handle protects finish from being marred by padlocks and is catch free, eliminating protrusions from the face of the box door
- **Powder Coated:** Premium paint process that provides a durable, attractive and scratch resistant finish
- **Quantity:** 100 Each
- **Color:** Black
- **Options:** See attached locker drawing for further construction details
- **Field Measurements:** All final measurements will be the responsibility of the bidding company
