Dear Parent/Guardian:

Baker County High School hopes this school year will be full of fun, learning, and special memories for your child. We take pictures throughout the school year and display them in many ways. They are displayed on the classroom and hallway bulletin boards, newspapers, computer screen savers, class reports and presentations, newsletters, yearbooks, Facebook, Instagram, other social media, websites, Daily Growl, and many other ways. In addition, student names are often printed in the above listed locations, as well as our local newspapers. We are proud of our students and publicly praise, reward, and recognize students for their accomplishments.

If you **DO NOT** want your child to participate in these public recognitions, please call Baker County High School at (904) 259-6286 or visit our website at [www.bakerk12.org](http://www.bakerk12.org).

As always, we appreciate your help and support.

Sincerely,

Johnnie R. Jacobs,  
Principal
